Dear Kensington Resident:

Welcome to Kensington! The Town is a wonderful place to call home as we have a long tradition of volunteer participation, neighborhood involvement and community spirit. We have a vibrant and unique business district with a growing dining area and a well-known array of antique and furniture stores. I was first elected Mayor in June 2006 and was recently re-elected in 2012 to a fourth term. Speaking on behalf of our Town Council Members, I encourage your participation in all the Town's meetings and special events held throughout the year.

Kensington has numerous committees that would benefit from your input on topics such as our new revitalization efforts, traffic and pedestrian safety issues, hospitality and more. Please feel free to come by Town Hall (a.k.a. "The Armory"), e-mail, or call the Town staff with concerns, suggestions and ideas. The Town Office is open Monday through Friday from 8 a.m. to 4 p.m. Our Town Manager, Sanford Daily, handles day-to-day concerns and is a knowledgeable resource. Everyone is also welcome at the Town Council meetings held in the Armory on the second and fourth Monday of each month starting at 7pm.

There are several means to stay informed about Kensington: 1) our website, www.TOK.md.gov, is beneficial for the history of Kensington, as well as current building regulations, procedures, codes and events. 2) The [Around Town Journal](#) is sent to all of our residents each month and is also available on our website. 3) The Town's [official email list](#), which residents may sign up for via the Town website.

I hope this information has been helpful. Again, welcome to Kensington!

Sincerely,
