

# PARK IMPROVEMENTS

Rehabilitation of the historic Kensington Cabin will begin this fall. The estimated time to complete is 4 months, and includes:

- asphalt path that leads from Everett St. to the Cabin will be temporarily used for construction access and requires closure, and fencing for safety.
- brief closures of the swing set next to the cabin for safety.
- tree protection fencing installed for the walnut and sycamore trees directly adjacent to the cabin.

**Thank you for your patience.**
