

# Lettuce collect your food scraps!

Join the  
composting  
program in the  
Town of  
Kensington and  
help reduce the  
amount of waste  
that goes to the  
landfill.

**The Town of Kensington is working with Compost Crew, a Rockville-based company, to provide curbside composting collection to interested residents. Food waste makes up between 25-50% of the typical family's garbage, and diverting it from the trash can significantly reduce the amount of waste the town generates.**

**Separate your food scraps in a secure bin provided by Compost Crew and leave them out for pick up once a week, just like you do with your recycling. Twice a year, you get finished compost back for your yard or garden.**

**The more homes in town that sign up, the lower the rate for everyone. Please visit [www.compostcrew.com](http://www.compostcrew.com) or scan the QR code on this sheet to learn more and to get started composting!**
