38 Years Along Howard Avenue!

The Mayor and Town Council honored long-time Howard Avenue shop owners, Kurt and Lynn Pritchard of Pritchard’s Antiques, at the May 12th Council Meeting for their 38 years in Kensington. Kurt and Lynn have decided to retire, and will be closing their shop; however, they plan to remain active in decorating with their online endeavors.

We thank Kurt and Lynn for being a staple of the Kensington community these last 38 years!

Kensington Residents: Thank you for re-electing me for a fifth term as the Mayor of Kensington. I am deeply honored by the support of the community over these last eight years, as the Council and I have been able to accomplish many of our goals to improve the quality of life within our great Town. While we still have much to improve upon, we have achieved a considerable amount over these last eight years, to include: Amending State Liquor Laws and Article 28 to allow for Quasi-Zoning Authority within the Town; Hiring a Town Manager to oversee day-to-day operations; Instituted a Capital Improvement Program (CIP) for the repair and replacement of our streets, sidewalks, park equipment, Town Hall, and vehicles; Contracted out our collection services and purchased large wheel-based recycling toters; Improved Communication between our Residents and the Town; Hired a Professional Public Relations firm to help promote the Town economically; Installed new Street Signs throughout the Town; Refurbished the Town’s Gateway Entrance signs; Hired a Public Works crew leader; Built a new Retail Parking Lot along Metropolitan Avenue; Established a Design Review Board and a Greenscape Committee; Increased the number of Annual Town Events; and Updated our 33 year old Sector Plan to position us for future Smart Growth.

Over the next 24 months as Mayor, I am excited about the Completion of the Connecticut Avenue Improvements, to include a new median, plantings, and wrought iron fence over the CSX bridge; Sign Ordinance Amendments to help clarify our regulations; the potential for new Development in key areas; Complete a number of Town Hall Renovations; Town Beautification projects; Partnering with the County to restore Silver Creek; Finalize the Design Guidelines Supplement; Complete the Town Map project; and for a new Brainard-Warner Ad Hoc Committee. We will also look to improve parking along our Commercial District and continue to make traffic improvements. I also look forward to continue our sound fiscal stewardship, as we not only budget for today, but tomorrow.

On another note, I recently returned from the Annual Maryland Municipal League Conference where our Town received the Banner City/Town award for our commitment to educating the community on the importance and value of municipal government. This is a great honor for the Town, as only 40 percent of Maryland’s municipalities received this distinction for 2014.

The Maryland Municipal League requires five criteria to be met in order to be honored as a Banner City/Town, to include: Are recognized among their peers as an active participant in showcasing municipal governments and how it works; Work together as a municipality to help strengthen their membership league; Foster goodwill by educating youth about municipal government; Maximize their MML membership by taking part in League programs and activities; Ensures the voice of their municipality is heard on issues relevant to the membership and in matters of legislative priorities.

On behalf of the Town Council and Staff, I would like to express our appreciation to the Kensington community for your continued support of our local government, as we strive to be the best town in Maryland!
Residential Signs—Please be reminded that the Town follows the County’s regulations on Signs within Residential Zones. Specifically, the regulations include the following:

◊ The number of signs are not limited, however, the total sign area must not exceed ten (10) square feet. For example, a 3’ x 3’ sign = 9 square feet.

◊ A temporary sign must not exceed five (5) feet in height (measured from the ground to the top of the sign).

◊ A temporary sign must be set back at least five (5) feet from the property line.

◊ No illumination is allowed.

The Town staff, along with our Attorney, are working on changes to our Sign Ordinance and hope to present them to the Mayor and Council this September.

Paving along Frederick Avenue, Frederick Place and concrete work along Plyers Mill Court is expected to begin later this month.
April 14, 2014—Mayor Fosselman, Council Members Bartram, Furman, and Sexton, Town Manager Daily, and Assistant Town Manager Hoffman were present. Council Member McMullen and Clerk-Treasurer Engels were necessarily absent. The Pledge of Allegiance was recited and a Moment of Silence observed.

The minutes from March 24, 2014 were reviewed and approved. See Council Actions.

From the Mayor and Town Council –
The Mayor attended the ribbon cutting for the new coffee shop in Town, Java Nation, which opened behind Hardware City; attended the KVFD dedication for their new pumper truck; and noted the wonderful article on the Town in Bethesda Magazine.

Council Member Bartram stated that he is continuing to review with the Traffic Committee whether local traffic regulations should be exempted within the Town.

Council Member Sexton reported that the upcoming Farmers Market will be featuring Australian meat pies and the Kensington Book Festival will be held on April 27th.

A Variance Hearing was held for a new home at 3912 Baltimore Street, formerly the Reynolds property. Luke Olson, GTM Architects, explained the property was originally three lots and was divided into two incongruous lots by the County to preserve the existing street trees. He requested a two foot variance for a proposed bay window due to the lots being divided unequally and the positioning of the homes.

Council Member Bartram clarified the variance process. Assistant Town Manager Hoffman informed the Council proper notice was sent to abutting and confronting property owners along with the required variance sign posted, no comments were received.

Helen Wilkes, Chairman of the Local Advisory Panel (LAP), explained that the entire property was divided into two lots instead of three lots; the property currently has a single ownership with an easement, which allows more of a buffer; a bay window improves the facade and makes it more aesthetically pleasing to the streetscape; and the variance does not undermine the character of Kensington and is complimentary to the historic district. There was no other public comment.

The Mayor noted the reasoning behind the subdivision of the lot, along with its unique situation, HPC support, historic significance, and the agreed upon covenant with the Town not to build more than two single-family homes.

Ordinances, Resolutions, Regulations –
A Public Hearing was held on the FY15 Budget. Elisenda Sola-Sole, of Kensington Row Bookshop, requested additional funds
TOWN MINUTES

for the Book Festival in the FY15 Budget. There were no other public comments. Council Member Furman questioned the drill floor replacement under capital expenditures; and Town Manager Daily stated he is funding this project each year for a future replacement of the drill hall floor. He also stated that a significant amount was added to the non-lapsing CIP for street resurfacing to complete the recommendations within the 2006 VHB study. He also stated the real property tax rate will remain the same with a slight increase to the personal property and public utility taxes. The public record will remain open until May 7th at 4 pm. See Council Actions.

Council Actions –
Council Member Sexton moved to approve the minutes from the March 24, 2014 Town Meeting. The motion passed unanimously.

Council Member Bartram moved to leave the record open until April 27th on the variance for 3912 Baltimore Street and instruct the Town Staff to prepare a resolution supporting the variance, which will be voted on at the next meeting. The motion passed unanimously.

Council Member Furman moved to hold the record open until May 7, 2014 at 4 p.m. for the Fiscal Year 14 Budget. The motion passed unanimously.

Council Member Furman moved to adjourn the meeting at 7:48 p.m. The motion passed unanimously.
