

Kensington Racial Justice Committee

Mission

Our mission is to understand how past inequities shaped Kensington, support actions to dismantle systemic racism, and celebrate our diversity, building a more engaged and inclusive community.

Our Goals

We are focused on three strategic goals and supporting activities.

1. Understanding Inequity: Education and Learning

- Increase awareness and understanding of the history of race in Kensington by conducting a community history project.
- Encourage awareness and understanding of ongoing impacts of systemic racism.
- Engage all Kensington residents in learning through community programs like our “Community Read” and speakers series and cultural events.

2. Addressing Inequity: Advocacy

- Advocate for equitable policies within Kensington and Montgomery County
- Increase representation and diversity in the Racial Justice Committee and other community committees.
- Support a restorative justice project.

3. Building Equity: Community Engagement and Outreach

- Connect people to programs, resources, and services.
- Encourage youth engagement and participation.
- Create an inclusive and welcoming community by improving and expanding relationships and increasing opportunities for connection.
- Introduce racial justice and equity issues into already established town or local events.
