Charter Resolution

Charter Resolution No. CR-01-2022 – To Allow Lawful Permanent Residents or Individuals Authorized to Work in the United States to Vote in Town of Kensington Municipal Elections

Dear Kensington Residents:

The Town was approached by several residents over the last few elections about the possibility of allowing lawful permanent residents, or individuals authorized to work within the United States, to vote within our Town municipal elections. These residents live in our community, and for the most part, own real property, have children who attend school, patronize our businesses, and have requested that we consider allowing them to vote within our Town elections.

In response to the request, the Mayor and Council designed a survey for distribution to all registered voters within the Town to gauge interest on two specific election-related questions. The survey was mailed to each registered voter in September 2021, and included the following questions:

1) Should the Council and Mayor propose an amendment to the Town Charter and Code to permit 16- and 17-year-old residents to vote in Town elections?

2) Should the Council and Mayor propose an amendment to the Town Charter and Code to permit Town residents to vote in Town elections without requiring them to be US citizens?

The Town received 394 survey responses (1,477 surveys were mailed) and we also made the survey available on our website for individuals who wanted to provide comment but were not currently registered voters. These surveys were differentiated from the mailed surveys, and we received two (2) additional online surveys for a total of 396 survey responses.

Our residents overwhelmingly responded against (70-30) allowing 16- and 17-year-olds to vote in Town elections.
Please be reminded that both a Town and County permit are needed for any interior or exterior structural changes, with the exception of landscaping and general repairs. Historic District properties will also require a Historic Area Work Permit (HAWP). Please contact the Town staff at 301-949-2424 with any questions.

elections; however, only a slight majority of residents responded against (51-49) allowing non-citizens to vote in Town elections. However, a number of respondents indicated that they would consider supporting lawful permanent residents, or those authorized to work within the United States, if the survey question were clarified.

In response to the survey results, the Mayor and Council will introduce Charter Resolution No. CR-01-2022, at the February 14 Town Council meeting and schedule the Public Hearing for Monday, March 14, 2022, 7:00 pm. The Charter Resolution will allow additional public comment by our residents with respect to possibly allowing lawful permanent residents or individuals authorized to work in the United States to vote in our Town election by amending Article VII, Section 701, of the Town Charter:

A CHARTER RESOLUTION OF THE MAYOR AND COUNCIL OF THE TOWN OF KENSINGTON AMENDING ARTICLE VII, “REGISTRATION, NOMINATIONS, AND ELECTIONS”, SECTION 701, “QUALIFICATIONS OF VOTERS”, OF THE TOWN CHARTER TO MAKE PROVISION TO ALLOW A LAWFUL PERMANENT RESIDENT OR INDIVIDUAL AUTHORIZED TO WORK IN THE UNITED STATES ELIGIBLE TO VOTE IN TOWN OF KENSINGTON MUNICIPAL ELECTIONS.

Once the Charter Resolution has been introduced, we encourage all our residents to provide comment by either attending the Public Hearing on Monday, March 14, 2022, 7:00 pm, or by sending an email to Mayor.Council@tok.md.gov.

Currently, there are twelve Maryland municipalities that allow lawful permanent residents to vote within their elections, including the following Montgomery County municipalities: Chevy Chase Section 3; Barnesville; Garrett Park; Glen Echo; Martin’s Addition; Somerset; Takoma Park; and the Town of Chevy Chase.

The Charter Resolution would not allow lawful permanent residents or those authorized to work within the United States to vote in Federal, State, or County elections. If adopted by the Mayor and Council, voting rights would be extended to lawful permanent residents and those authorized to work within the United States for Town elections only.

We encourage discussion of Charter Resolution No. CR-01-2022 among our many residents and ask that everyone please keep the comments respectful, as we consider extending voting rights to certain residents who already live within our Town.

Seminar Series:
The Kensington Historical Society (KHS) recently resumed our Speaker Series this past January through Zoom. We would like to thank Bob Bachman for his presentation "Boom! How Montgomery County Developed in the 1950's", which is further discussed below.

KHS is looking forward to continuing our popular Speaker Series through virtual events and in-person once COVID restrictions allow.

**BOOM!: How Montgomery County Developed in the 1950s**

Speaker: Bob Bachman from Montgomery History

A presentation summarizing the rapid development of lower Montgomery County in the 1950s as a suburb of Washington, DC.

The 1950’s housing boom almost doubled the number of single-family homes in Montgomery County in one decade. This presentation will focus on the national-level & county-level factors that fueled the housing boom, the federal programs that helped builders & buyers, where the new homes were built in the county, the styles of these new homes, the developers who built them, the architects who designed them, and the role of the National-Capital Park & Planning Commission and the Washington Suburban Sanitary Commission in preparing the infrastructure and establishing the procedures to respond to the rapid population growth and housing boom of the 1950’s. The presenter will include information about the demographics in the county and the use of restrictive covenants during this time.

Celebrate Forty-Five years of KHS:

Save the Date! On Sunday afternoon, July 17, we will host a Gala Celebration of 45 years of KHS achievements and honor those individuals who were instrumental in those efforts. So, plan on gathering to enjoy the festivities and to learn more about what KHS has done to enhance our Town and celebrate its history. If you are not active with KHS this would be a great time to join, meet people and learn more about how you can become involved.

The homes of all the entrants were absolutely beautiful, but here are the winners:

The winner of the best decorated Town business was Homeworks Kensington, located at 3740 Howard Avenue. We encourage everyone to stop by in 2022 and check out Homeworks’ beautiful home furnishings.

Thank you to everyone who participated in the contest!
The KTown Ladies had a very busy holiday season, and we are taking some downtime at the start of the year to rest and rejuvenate for the new year. Looking forward, we’re excited to reconnect this year with social events at homes and businesses in our community, as well as special initiatives like the annual Trash to Treasure event this spring. We’re particularly looking forward to hosting more home events. If you’re interested in opening your home for a KTown Ladies event this year, please reach out and let us know! For our first event of 2022, we are planning an outdoor, festive pre-St. Patrick’s Day celebration at Kyle Richards’ home on March 16. Get your green beer ready and stay tuned for more details. Have a great start to 2022, and we’ll see you all soon!
