

Greenscape Committee Notes

Attending: Tom Rodriguez, Barbara Scharman, Sabina Emerson, Arlene Antonicelli, Gloria Capron, and Paul Sexton

We discussed the Town hiring Rasma Plato to begin surveying Clum-Kennedy Park

We discussed the new fountain in Flinn Park

The Committee resolved to look closer at the brick walkway leading up to and encircling the fountain. We recommended hiring Rasma Plato to work with the brick contractor to sketch out the potential options. Tom Rodriguez agreed to work with the mayor and town staff to make that happen and suggested a follow-up meeting the next Wednesday of the Fountain Subcommittee to review the sketches.
