TRASH TO TREASURE

HOW IT WORKS

Looking for a way to sell or donate things without the hassle of planning your own yard sale or curb alert? Kyle Richards and The KTown Ladies are sponsoring a town wide Trash to Treasure Day, complete with a "treasure map" of the town with participating homes to make it easy for you to sell or freecycle what you no longer use but someone else would love. You can do a yard sale, part yard sale/part free at the curb alert or total curb alert.
